BY ACCESSING, USING, AND/OR VIEWING OUR SITE, YOU HEREBY AGREE TO BE BOUND BY THE TERMS OF THIS AGREEMENT. IF YOU DO NOT AGREE TO THESE TERMS AND CONDITIONS, YOU MUST EXIT THE SITES.**

We may revise the information on the Sites, make other changes, or update the Sites, including this Agreement, from time to time by posting the updated terms on the Sites. Changes will be effective upon Beam’s posting of such updated terms at this location or the amended policies or supplemental terms on the applicable Sites. A current version of this Agreement showing the effective date is always available at this location. - the consequences of any use of the Sites by such minor.

If we learn that we have collected personal information from a child under age 13 without verification of parental consent, we will delete that information as quickly as possible. If you believe that we might have any information from or about a child under 13, please contact us at [support@beam.dental](mailto:support@beam.dental).

However, certain sections and features of the Sites are available only to Beam members, brokers, providers and employers (“Registered Users”). If you are a Registered User, you agree to accurately maintain and update any information about yourself that you have provided to Beam. You also agree to promptly notify us of any unauthorized use of your username, password or any other breach of security that you become aware of involving or relating to the Sites.

Any Personal Information you submit to our Sites (as well as any Non-Personal Information collected by our Site) is governed by Beam’s Privacy Policy (<http://resources.beam.dental/content/privacy>).

## COPYRIGHT, TRADEMARKS & TRADE DRESS.

All content included on the Sites, including but not limited to, any text, graphics and interactive features and any trademarks, service marks, and logos contained therein (collectively, “Materials”) are owned by or licensed to Beam, subject to copyright, trademark and other intellectual property rights under United States and foreign laws and international conventions.

No Materials from the Sites may be copied, reproduced, republished, uploaded, posted, transmitted, or distributed in any way without the written permission of Beam, except that you may use information purposely made available by Beam for downloading from the Sites, provided that you:

- keep intact all copyright and other proprietary notices;

- make no modifications to any such information; and
- do not make any additional representations or warranties relating to such information.

You may use HTML logos provided by Beam through our vendor services, SMS tools, promotional tools or affiliate programs without prior written consent for the purpose of directing web and SMS traffic to the Sites and App. You may not alter, modify or change these HTML logos in any way, use them in a manner that is disparaging to Beam or display them in any manner that implies Beam’s sponsorship or endorsement. You agree not to circumvent, disable, or otherwise interfere with security related features of the Sites or features that prevent or restrict use or copying of any Materials or content.

Modification of any Materials or use of any Materials for any other purpose is a violation of the copyrights and other proprietary rights of Beam, or of other entities or persons where so indicated, unless Beam has provided said Materials for such express purpose. Permission for all other uses of Materials contained herein, including reproducing and distributing multiple copies or using Materials on any other website or networked computer or linking to any page at this Sites except the “home page” (<https://www.beam.dental/>), must be obtained from Beam otherwise, such use is prohibited. All design rights, databases, and compilation and other intellectual property rights associated with the Sites, in each case whether registered or unregistered, and related goodwill, are proprietary to Beam.

## MOBILE SOFTWARE.

From time to time, we may make available software to access the Service via a mobile device (“Mobile Software”). To use the Mobile Software, you must have a mobile device that is compatible with the Mobile Software. We do not warrant that the Mobile Software will be compatible with your mobile device. You agree that you are solely responsible for any mobile data usage or other similar charges incurred by you in connection with the Mobile Software. Subject to the terms and conditions of this Agreement, Beam grants you a non-exclusive, non-transferable, revocable license to use a compiled code copy of the Mobile Software for the Beam

accounts on one mobile device owned or leased solely by you and in accordance with the features made available to you. You may not:

- modify, disassemble, decompile or reverse engineer the Mobile Software, except to the extent that such restriction is expressly prohibited by law;
- rent, lease, loan, resell, sublicense, distribute or otherwise transfer the Mobile Software to any third-party or use the Mobile Software to provide time sharing or similar services for any third-party;
- make any copies of the Mobile Software;

You acknowledge that Beam may from time to time issue upgraded versions of the Mobile Software, and may automatically electronically upgrade the version of the Mobile Software that you are using on your mobile device. Should you consent to such automatic upgrading on your mobile device, you agree that the terms and conditions of this Agreement will apply to all such upgrades. Any third-party code that may be incorporated in the Mobile Software is covered by the applicable open source or third-party license EULA, if any, authorizing use of such code. The foregoing license grant is not a sale of the Mobile Software or any copy thereof, and Beam or its third-party partners or suppliers retain all right, title, and interest in the Mobile Software (and any copy thereof). Any attempt by you to transfer any of the rights, duties or obligations hereunder, except as expressly provided for in this Agreement, is void.

#### Mobile Software from the Apple App Store

The following applies to any Mobile Software you acquire from Apple's App Store ("App Store-Sourced Software"):

You acknowledge and agree that this Agreement is solely between you and Beam, not Apple, and that Apple has no responsibility for the App Store-Sourced Software or content thereof. Your use of the App Store-Sourced Software must comply with the App Store Terms of Service. You acknowledge that Apple has no obligation whatsoever to furnish any maintenance and support services with respect to the App Store-Sourced Software. In the event of any failure of the App Store-Sourced Software to conform to any applicable warranty, you may notify Apple, and Apple will refund the purchase price for the App Store-Sourced Software to you; to the maximum extent permitted by applicable law, Apple will have no other warranty obligation whatsoever with respect to the App Store-Sourced Software, and any other claims, losses, liabilities, damages, costs or expenses attributable to any failure to conform to any warranty will be solely governed by this Agreement and any law applicable to Beam as provider of the software. You acknowledge that Apple is not responsible for addressing any claims of you or any third-party relating to the App Store-Sourced Software or your possession and/or use of the App Store-Sourced Software, including, but not limited to:

- product liability claims;

- any claim that the App Store-Sourced Software fails to conform to any applicable legal or regulatory requirement; and
- claims arising under consumer protection or similar legislation; and all such claims are governed solely by this Agreement and any law applicable to Beam as provider of the software.

You acknowledge that, in the event of any third-party claim that the App Store-Sourced Software or your possession and use of that App Store-Sourced Software infringes that third-party's intellectual property rights, Beam, not Apple, will be solely responsible for the investigation, defense, settlement, and discharge of any such intellectual property infringement claim to the extent required by this Agreement. You and Beam acknowledge and agree that Apple, and Apple's subsidiaries, are third-party beneficiaries of this Agreement as relates to your license of the App Store-Sourced Software, and that, upon your acceptance of the terms and conditions of this Agreement, Apple will have the right (and will be deemed to have accepted the right) to enforce this Agreement as relates to your license of the App Store-Sourced Software against you as a third-party beneficiary thereof.

#### Mobile Software from Google Play Store

The following applies to any Mobile Software you acquire from the Google Play Store ("Google-Sourced Software"):

- you acknowledge that the Agreement is between you and Beam only, and not with Google, Inc. ("Google");
- your use of Google-Sourced Software must comply with Google's then-current Google Play Store Terms of Service;
- Google is only a provider of the Google Play Store where you obtained the Google-Sourced Software;
- Beam, and not Google, is solely responsible for its Google-Sourced Software;
- Google has no obligation or liability to you with respect to Google-Sourced Software or the Agreement; and
- you acknowledge and agree that Google is a third-party beneficiary to the Agreement as it relates to Beam's Google-Sourced Software.

#### TEXT MESSAGING.

Upon your registration on the Sites, you will receive a one-time text message welcoming you to the Services. Likewise, when you sign into the Sites, Beam, through a third-party, may send you a text message to verify your signing in. Beam is not responsible for any charges you may incur in receiving these text messages.

#### THIRD-PARTY CONTENT/LINKS.

As you view the Sites, you may notice links to Third-Party Websites. If you use these links, you will leave the Sites. Certain of these linked Sites may make use of Beam proprietary intellectual property rights (such as copyrights, trademarks, service marks, logos, and trade names) under license from Beam. Beam is not responsible for the availability or content of these other websites

or for any viruses or other damaging elements encountered in linking to a Third-Party Website. In addition, providing links to these Third-Party Websites should not be interpreted as endorsement or approval by Beam of the organizations sponsoring such Third-Party Website or their products or services. This Agreement does not apply to any other websites.

Certain content and services offered to you on the Site and via a link through this Site are served on websites hosted and operated by a third-party (“Third-Party Website”). Once you click on a link to a Third-Party Website, and leave the Site, that Third-Party Website’s privacy policy and terms of use, rather than Beam’s Privacy Policy and Terms and Conditions of Use, govern your activities on that website. You should also be aware that some Third-Party Websites offer mobile apps that can be downloaded to a mobile device that would enable you to access Third-Party Website content directly on your mobile device. The use of such mobile apps may be governed by a privacy policy and/or terms of use that may be different from, or in addition to, the privacy policy and terms of use that govern the Third-Party Website. Beam does not endorse and is not responsible for the privacy practices of the Third-Party Websites or any mobile apps provided by any third-party. You should review the privacy policy and terms of use posted on the websites and mobile apps to understand how that Third-Party Website or mobile app collects, uses, and discloses your information. You can determine whether you are on a Third-Party Website if your browser shows a URL address that does not contain “beam.dental.”
